Subdivision Review Board
c/o Michael Poston
Catawba County
PO Box 389
Newton, NC 28658

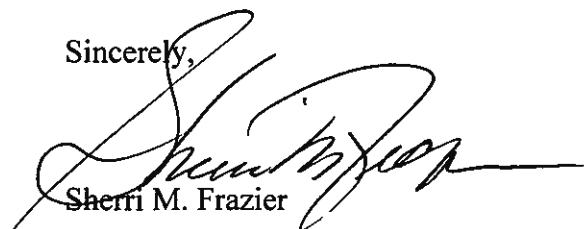

Dear Mr. Poston:

Thank you for your timely notice of the expiration of the preliminary plat approval for Eagle Ridge subdivision and please accept this letter on behalf of the Subdivision Review Board as our request for an extension of that preliminary approval.

We did, while more fortuitous economic and financial industry conditions prevailed, complete a portion of the proposed subdivision. There are now a total of 10 lots complete in the subdivision, 7 of which required the construction of roads and water lines. We have also completed duplexes on all but 2 of those lots. The swift change in the economy prevented us from further construction; however, it is our intent to construct 2 additional duplexes and begin another phase of the subdivision as soon as practicable and feasible. The extension of the preliminary approval will make that process both quicker and less expensive when the time comes.

Thank you for your time and attention to this matter and please let me know if you have any questions. I have enclosed check number 1162 in the amount of \$70 to cover the cost of the extension review.

Sincerely,

Sherri M. Frazier
